### Monograms Offers a Better Way to Experience & Enjoy South America

**LITTLETON, Colorado – February 21, 2017** – Is there anything better than spending time in place you've only dreamed of? If only we could just wake-up in a comfortable and clean hotel with views galore instead of the months of planning it takes to eventually arrive. Most people would agree, it's not easy to plan a perfect vacation in exotic, off-the-beaten path destinations like Colombia, Peru, Chile or Argentina. Questions pop-up about everything from safety and security to flights and fun. To help travelers ensure they're getting the most out of their journey through a plethora of destinations in South America, there's [Monograms](#).

Monograms not only helps take the stress out of planning a vacation, the company delivers them to hand-picked, centrally located hotels. Even better? Monograms – a sister company to award-winning tour operator Globus – is the only vacation provider that promises travelers a warm “welcome” thanks to the on-site services of an expert Local Host who offers tips, insights and also arranges sightseeing in each destination.

For instance, on Monograms' [Magical Colombia](#) vacation (priced from \$1,329), travelers can spend eight (8) days exploring this rich country. After arriving in Bogota, they will enjoy private sightseeing in a colorful market in the heart of the city before walking through its colonial section (La Candelaria) and enjoying visits to the Gold and Botero Museums. They will cap-off their first full day with a Funicular ride up to Mount Monserrate. After enjoying a free day in Bogata which could include optional tours of an underground salt cathedral, travelers will be transferred to the airport to board a flight for Pereira in the heart of the Coffee Triangle of Colombia. After lunch, their Local Host will take them on a visit of the coffee farm where they will stay for the evening in a beautiful hacienda. The next day, travelers will drive through the region of Quindio to Cocora Valley and Salento – a typical village in the region where they can walk through the colorful streets – before continuing on to Filandia, a village boasting gorgeous views of the vast Andes mountain range. Travelers will then fly to Cartegena on the Caribbean Coast. Upon arrival, they will enjoy a private guided tour that includes a visit to the Monastery of La Popa, San Felipe Fort and San Pedro Claver Convent. The final day is free to enjoy.
